

CALL FOR NOMINATIONS
FELLOWS OF THE ACADEMY
TEXAS ACADEMY OF SCIENCE

FOUNDED 1892 - CHARTERED 1929

AFFILIATED WITH THE AMERICAN ASSOCIATION

FOR THE ADVANCEMENT OF SCIENCE

October 03, 2020

Each year the Board of Directors of the Texas Academy of Science honors members who have served the Academy and their discipline with distinction, by becoming a Fellow of the Academy. Nominees must have been a TAS member for at least 2 years and must have made substantial contributions in the areas of teaching, research or service, in any scientific field. Nominations must be made by 2 current Academy Fellows.

Current Fellows, please consider honoring a deserving Academy member by nominating them as an Academy Fellow. To nominate a colleague, please submit:

1. A letter of nomination that describes the nominee's qualifications and contributions to science and particularly, TAS
2. The name and contact information of another Academy Fellow that seconds your nomination
3. A brief curriculum vita of the nominee.

Nominations should be received by Friday, January 1, 2021, by email to gonzalezlima@utexas.edu

Thank you for your continued support of the Academy by nominating a member for this honor. Please do not hesitate to contact me with any questions.

Sincerely,

Francisco Gonzalez-Lima, Ph.D.

Vice President and Chair, Honors and Awards Committee, Texas Academy of Science
George I. Sanchez Centennial Professor, University of Texas at Austin
